Oil Seeds Specialist (Temporary)

[Rules regulating recruitment, conditions of service, pay and allowances]

No. 130.—In exercise of the powers conferred in rules 3 and 4 of the Civil Services (Governors' Provinces) Delegation Rules, 1926, the Governor acting with the Minister hereby makes the following rules to regulate the method of recruitment, conditions of service, pay and allowances of the Oil Seeds Specialist.

"Local Government" shall, for the purpose of these rules, mean "the Governor acting with the Minister."

1. *Recruitment.*—Appointment to the post of Oil Seeds Specialist shall be made by the Local Government either by direct recruitment or by the transfer of a person already in the service of Government. The appointment shall be made for such period and on such terms as the Local Government may, from time to time, decide subject to the provisions contained in these rules.

Direct recruitment may be either under a contract or otherwise.

2. *Qualifications.*—No person shall be eligible for selection for appointment as the Oil Seeds Specialist unless

(*a*) (i) he is a British subject, or
(ii) he is a subject of State in India;
(*b*) (i) he has obtained a diploma in Agriculture awarded by an Agricultural College in the British Empire or holds a degree in Agriculture or Natural Science of a University in the British Empire, Europe or the United States of America,
(ii) he possesses knowledge of plant genetics, and
(iii) he possesses previous experience of research work at one or more of the plant breeding stations at Pusa, Indore or in the Presidency of Madras.

3. *Probation.*—(*a*) A candidate selected otherwise than under a contract shall be on probation
(i) for a total period of three years if selected by direct recruitment, and
(ii) for a total period of one year if selected by promotion or transfer.

(*b*) The pay of an officer on probation shall be the pay of the post.

(*c*) At any time before the end of the prescribed period of probation the probation of a selected candidate may be terminated at the discretion of the Local Government and the candidate's services shall then be dispensed with or he shall be reverted to his permanent post as the case may be.

(*d*) If at the end of the prescribed period of probation the Local Government does not consider the selected candidate suitable for appointment to the post, the Local Government shall, by order, dispense with his services or revert him to his permanent appointment as the case may be. If no such order is issued by the Local Government within three months after the expiry of the candidate's period of probation under sub-rule (*a*), the candidate shall be deemed to have completed his period of probation satisfactorily.

4. *Pay.*—There shall be paid to the Oil Seeds Specialist a pay calculated in the following scale, namely,—Rs. 350—50—550—550—50—650—Efficiency bar—50—800—800—50—1,250.

5. *Leave, leave salary and other conditions of service.*—(1) The Oil Seeds Specialist, if recruited by transfer, shall continue to be a member of the Service of which he was a member at the time of his appointment, and his leave, leave salary and other conditions of service shall be regulated by the rules applicable to such service.

(2) The leave, leave salary and other conditions of service of the Oil Seeds Specialist, if recruited direct, shall be regulated

(i) if the recruitment is under a contract, by the terms of such contract, and

(ii) if the recruitment is otherwise than under a contract, by the Fundamental Rules issued from time to time under the authority of the Government of Madras.

No. 289.—His Excellency the Governor in Council hereby declares under the provisions of section 24 of the Madras Forest Act V of 1882, that the area described below which was declared in the reserved forest under section 14 of the Act in Notification No. 36, dated 24th January 1899, published at page 162 of Part I of the *Fort St. George Gazette*, dated 24th January 1899, shall cease to be reserved forest with effect from 1st October 1930.

Gudiyam District, Gudiyatam taluk, near Bandapalle village.

Name of reserve or part of reserve disreserved—Gollery; area 66·00 acres.

BOUNDARIES.

North.—Starting from cairn No. 93 on the notified boundary of the Gollery reserved forest (cairn No. 92 is situated on the eastern boundary of S. No. 428 of Gollery village at a distance of 650 links from the south east corner of that field) the lines runs eastward along the said notified boundary to cairn No. 93 referred to in the said notification.

East.—Thence southward along the same notified boundary to cairn No. 100, thence south-east and east to cairn No. 102 (which is situated at the south-east corner of S. No. 466 of Gollery village).

South.—Thence a straight line (bearing 232°, for a distance of 1,840 links) to cairn No. 77 (on the said notified boundary) which is situated at the north east corner of S. No. 48 of Brahmanapedium village, thence north west along the notified boundary of the Gollery reserved forest to cairn No. 80 on the said notified boundary

West.—Thence in a north and north-easterly direction along the said notified boundary to cairn No. 93 (the starting point).

Brief description of the area.—Most of the area is "broken ground" containing very poor stunted growth, but mostly fit for cultivation.

Reasons for disreservation.—The area forms an awkward salient from the main body of the reserve. It is required for assignment for cultivation

THE ELECTRIC LICENSE, 19

License for the supply of electric energy granted by the Government of Madras under the Indian Electricity Act, 1910

License is hereby granted to to supply electrical energy in the area with the powers and upon the terms and conditions all specified below :—

1. *Short title.*—This license may be cited as "The Electric License, 19 ".

2. *Interpretation.*—This license is to be read and construed as subject in all respects to the provisions of the Indian Electricity Act, 1910, with the statutory modifications thereof and to the rules thereunder; and the several words, terms and expressions, to which meanings are assigned by that Act or any statutory modifications thereof or by the rules thereunder or the General Clauses Act, 1897, shall have in this license and the annexures thereto the same respective meanings, provided that in this license—

(1) The expression "The Act" shall mean the Indian Electricity Act, 1910, with the statutory modifications thereof;

(2) The expression "The licensee" shall mean and include

and their permitted assigns;

(3) The expressions "First Annexure", "Second Annexure", "Third Annexure," "Fourth Annexure" and "Fifth Annexure" shall mean the first, second, third, fourth and fifth annexures to this license respectively;

(4) The expression "Deposited Map" shall mean the plan(s) showing the area of supply, or the streets or routes along which electric lines have compulsorily to be laid, all hereinafter specified, which has/have been deposited with the Government of Madras in pursuance of the rules under the Act, and which plan(s) is/are signed for the purpose of identification by the Secretary to the Government of Madras in the Public Works and Labour Department and by the applicants under the name and style of ——————————;

(5) The expression "Unit" shall mean the quantity of energy contained in a current of one thousand amperes flowing under an electro-motive force of one volt during one hour.

(6) The expression "Load Factor" shall mean the ratio or percentage of the average quantity per hour to the maximum quantity per hour of energy supplied in any month/quarter.

3. *Commencement of license.*—The date of the notification by the Government of Madras in the *Fort St. George Gazette*, that this license has been granted is in this license referred to as "The Commencement of the License".

4. *Security.*—(a) The period within which under clause 1 (a) of the schedule to the Act the licensees shall show that they have available capital of Rs lakhs and are in a position fully and efficiently to discharge the duties and obligations imposed upon them by this licence throughout the area of supply shall unless otherwise ordered by the Government of Madras under that clause be six months from the commencement of the license

(b) The period within which under clause 1 (b) of the schedule to the Act the licensees shall deposit security and the sum so to be deposited shall unless otherwise ordered by the Government of Madras be six months and rupees thousand respectively.

5. *Area of supply.*—The area within which the supply of electric energy is authorized by this license is the whole of the area contained within a circle of a radius of miles radius from to the revenue taluk(s) of of the district and more particularly delineated in red on the deposited map.

6. *Purpose of supply.*—Subject to the provisions of this license and the Act and the rules thereunder the licensees shall be entitled during the continuance of this license to supply energy within the area of supply for all purposes,

Provided that the licensees shall not without sufficient notice being served on them by the consumers be under any obligation under section 22 of the Act to supply more energy than is consistent with their obligation to maintain a constant supply to consumers due regard being had to the licensees' load factor.

Provided that no supply of energy shall be commenced to be given by the licensees to owners or occupiers of private premises until the Government of Madras have approved the form of requisition to be made by the owners or occupiers for such supply of energy and also the form of written contract or agreement with the licensees to take a supply of energy, which is to be executed or entered into by the owners or occupiers and until the Government of Madras have also approved the amounts of all miscellaneous charges incidental to or in connexion with such supply and which the licensees propose to make against the other licensees

and commence and also until the licensees' works have been inspected by the Electrical Inspector to Government and passed by him in writing.

7. *Systems of supply.*—The systems to be adopted for the supply and transmission of electric energy under this license are the following :—

(1) (a) A 2-wire continuous current supply with a pressure at the consumer's terminals of 230 volts between the conductors.

(b) A 3-wire continuous current supply with a pressure at the consumer's terminals of 460 volts between the outer wires and 230 volts between each outer wire and the third or neutral wire which shall be earthed at the generating station but insulated at all other parts.

(c) A medium pressure alternating current 3 phase 4-wire supply at a pressure at the consumer's terminals of 460 volts (approximately) between phases and 230 volts between phase and neutral which shall be earthed at one point only on each separate distributing system and at a frequency of 50 complete periods per second.

(d) A high pressure alternating current three phase supply at a pressure of volts between phases at a frequency of 50 complete periods per second.

(e) Extra high pressure alternating current 3-phase energy at any standard pressure approved by Government and at a frequency of 50 complete periods per second may be transmitted between the generating station and the one or more receiving stations.

(f) The neutral points of the high or extra high pressure systems may, with the approval of the Government of Madras and the concurrence of the Telegraph authority and the railway be connected to earth.

Provided always that it shall be lawful for the Government from time to time to issue, with due regard to the expense involved and to the effect upon the commercial prospects of the undertaking, regulations dealing with the above systems of supply or to authorize subject to such limitations and conditions as shall be prescribed in writing by the Government other systems of supply to be adopted for the purpose of the license

(2) The transmission lines, feeders, distributing mains and service lines may be overhead or underground in whole or in part, and shall be erected, constructed and maintained by the licensees in strict conformity with the Act and the rules thereunder and the following provisions:—

(a) The licensees shall not use overhead mains at any higher pressure than medium pressure without the sanction in writing of the Government of Madras in each case and subject to any conditions or limitations which the Government of Madras may prescribe.

(b) No conductor of an aerial line erected in, over, along or across any of the streets mentioned in clause (1) of the third annexure hereto or in any other streets which may at any time hereafter be named in writing by the Government of Madras shall be at a less height from the ground than feet.

(c) In the streets mentioned in clause (2) of the third annexure hereto or in any other streets which may at any time hereafter be named in writing by the Government of Madras all electric lines shall be laid underground.

(d) Where the transmission or electric supply line crosses or runs along the route of a hoot, temple car or similar religious procession, the wires shall be laid underground or at such height as will allow of the free and safe passage of those processions or shall be temporarily removed.

(e) In all streets and thoroughfares less than 14 feet in width for wheeled traffic posts for overhead electric lines shall not be erected.

(f) In narrow lanes through which wheeled traffic is not permitted the posts shall be placed on the extreme edge of the land and a special construction to be approved by the Electrical Inspector adopted to keep the wires four feet clear of every building.

(g) In any street or its direct continuation in which overhead electric lines are run, such lines shall be run throughout on one side only.

(h) Where overhead mains carrying alternating current are used, due precautions shall be taken by the licensees to avoid any possible interference with the adjacent telegraph or telephone circuits due to inductive effects; the overhead wires shall be suitably transposed where necessary.

(j) For the purpose of rule 81 of the Indian Electricity Rules, 1922, the maximum wind pressure shall be taken as lb. per square foot.

8. *Compulsory works.*—(a) The licensees shall lay down suitable and sufficient transmission lines, feeders and distributing mains and erect the generating station with all machinery and apparatus necessary for giving a continuous supply of energy and shall do all other works necessary for the commencement of the supply and to the satisfaction of the Government of Madras throughout such streets or parts of streets as are mentioned in the first annexure and as indicated in black on the deposited map. In the case of difference between the description in the first annexure and as indicated on the deposited map the latter shall prevail. The licensees shall commence to execute the works aforesaid within months from the commencement of the license and shall complete the same within years thereof. The works aforesaid shall be in general accordance with the scheme mentioned in the fifth annexure and with such modifications as may be approved hereafter in writing by the Government of Madras.

(b) Further within 12 months of the receipt of the application and subject to the first proviso of clause VI (1) of the schedule to the Act, the licensees shall lay down suitable and sufficient additional transmission lines, feeders and distributing mains, as may be required to effect a supply to every applicant, village or community within the area having a demand of not less than units per annum per mile of additional transmission and feeder line.

(c) In addition to the streets mentioned in the first annexure the licensees shall lay down further distributing mains to an aggregate length of as may be directed by the Government of Madras within six months of the commencement of the supply.

(d) If the licensees fail to comply with the above provisions or should in the opinion of the Government of Madras the progress made during any portion of the said period of years be unsatisfactory, the license may be revoked, and the security furnished as per clause, 4 (b) above forfeited.

(e) The licensees shall submit reports every six months from the commencement of this license until the completion of the compulsory works specifying all steps taken and the progress made in carrying into effect this license.

9. *Generating Station.*—(a) There shall be only one generating station and it shall be within the area of supply.

(b) The licensees shall be at liberty to generate from one generating station within the area of supply energy in safety all or part of their requirements and buy the remainder in bulk or in generate no energy and to buy all the energy required for distribution and resale from a hydro-electric or other source having a generating station outside the area of this license.

(c) *Transmission lines from generating stations.*—For the purpose of conveying and transmitting energy, the licensees may, after an order in writing has been made by the Government of Madras conferring upon them such of the powers referred to in section 51 of the Act as may be necessary, and upon obtaining the general approval required by section 18 of the Act, place aerial transmission lines from the generating station to one or more receiving stations. The alignment of the aerial transmission lines from the generating station and up to the one or more receiving stations shall be subject to the previous approval of the Government.

10. *Breaking up of streets and railways and crossing of waterways.*—(a) The licensees are hereby specially authorized to open and break up the soil and pavement of the streets not repairable by the Government of Madras or by the local authority and mentioned in the second annexure to this license and also to open and break up the soil and pavement of the Railways also mentioned in the said annexure at such points and places and to such extent only as shall have been previously approved in writing by the Government after the licensees have given such special notice or notices as the Government may direct and within such period as the Government may fix in this behalf to the persons who are entitled to work the said railways and after all representations or objections received in accordance with any such notice have been considered by the Government.

(b) The length of the trenches to be opened on any street at any one time and the period for which they may remain open shall be determined from time to time by the Government of Madras or the local authority by which such streets are repairable. When any street is crossed not more than half the width of such street shall without the specific authority in writing of the Government of Madras or the local authority as aforesaid be closed for traffic.

(c) The licensees are further authorized to cross all rivers, streams and irrigation channels within or contiguous to the area of supply in accordance with such conditions as the Government may impose.

11. *Limits of prices to be charged in respect of the supply of energy.*—(a) The prices to be charged by the licensees for energy supplied by them shall not exceed those stated in that behalf in the fourth annexure or to the extent a method of charge approved by the Government of Madras in accordance with section X of the Schedule to the Act, such maxima as the Government of Madras may fix on approving the method; nevertheless the licensees may enter into special contracts, subject to sections 22 and 23 of the Act, for the supply of energy.

(b) Should a supply of electrical energy in bulk become available at any future date from a Government power system or other source of supply at such rates that the rates of supply of distributed energy under this license could be appreciably reduced, the licensees shall obtain their supply from such system or source of supply within months from the date from which notice is given by Government that such supply is available.

(c) In the case where the energy is obtained from a Government power system, the licensees shall conform to re-sale rates and to conditions of working to such regulations as may be issued by the Government.

12. *Purchase of undertaking.*—(a) The option of purchase given by section 7, sub-section (1) of the Act shall first be exercisable on the expiration of years from the commencement of this license and on the expiration of every subsequent period of years during the continuance of this license. The percentage of the value to be determined in accordance with and for the purpose of sub-section (1) of section 7 of the Act of all lands, buildings, works, materials and plants of the licensees therein mentioned to be added under the second proviso of the sub-section to such value on account of compulsory purchase shall be *twenty* per centum.

(b) In accordance with section 3, sub-section (2), clause (d) (ii) of the Act, it is hereby expressly declared that the generating station within the area of supply belonging to the licensees and to be used in connexion with the undertaking, or if there is no generating station within the area of supply but energy is bought from a hydro electric or other source, then in that case the one or more receiving and distributing stations to be used in connexion with the undertaking shall form part of the undertaking for the purpose of purchase under section 5 or section 7 of the Act.

(c) During the period of notice prescribed in section 7 (3) of the Act, all extensions and outlays of money debitable to the capital account of the licensees shall be subject to the previous approval of the Government.

13. *Varitions from the Schedule to the Act.*—In pursuance of section 3, sub-section (2), clause (f) of the Act, it is hereby expressly declared that clauses of the schedule to the Act shall be excepted from incorporation in this license.

14. *Assignment of license.*—At any time after the commencement of this license, the licensees may assign this license or transfer the whole of their undertakings in respect of which this license is granted (including all lands, building, works, materials and plant of the licensees) to a company formed or to be formed and registered in British India, having authority to take over the license and the said undertaking as the case may be and to exercise the powers and perform the obligations given to or imposed upon the licensees under this license and the Act and the rules made under the Act and on such assignment or transfer the rights, powers and authorities, obligations and liabilities of the licensees shall be assigned and transferred to and shall be exercised by and shall attach to such company formed or to be formed as aforesaid.

Provided

(1) that a complete statement of the terms of the proposed assignment is placed before the Government of Madras and that no charge on account of premium or in the case of an undertaking not earning profits of goodwill shall be included in the terms of the assignment;

(2) that an assignment shall be made without the previous consent in writing of the Government of Madras.

15. *Revocation.*—If the licensees fail to comply with the provisions of any of the clauses hereof, the license may be revoked.

(2) Indian Service of Engineers,

(3) Indian Railway Service of Engineers, and

(4) Superior Telegraph and Wireless Engineering Branches of the Posts and Telegraph Department—Recruitment—Rules and Regulations.

The notices from the Public Service Commission, dated 16th August 1930, regarding the services (1), (2) and (3) above and the Government of India Resolutions referred to in the notices have been republished on pages 1251-1269 of Part I of the *Fort St. George Gazette*, dated 26th August 1930. The notice regarding item (4) Superior Telegraph and Wireless Engineering is published along with this notification. The Government of India Resolution regulating the recruitment to this service was republished on pages 1025-1027 of Part I of the *Fort St. George Gazette*, dated 22nd October 1929.

2 Requisitions for copies of application forms, regulations and other particulars should be addressed to the Secretary to Government, Public Works and Labour Department, Fort St. George.

PUBLIC SERVICE COMMISSION (INDIA).

NOTICE.

A competitive examination for admission to the Superior Telegraph and Wireless Engineering Branches of the Posts and Telegraphs Department will be held in Delhi beginning on the 26th January 1931. Candidates accepted for admission to the examination will be informed at what place in Delhi and at what hour they should present themselves.

The examination will be a combined examination for the purpose of filling vacancies in the Indian Service of Engineers, the Indian Railway Service of Engineers and the Superior Telegraph and Wireless Engineering Branches of the Posts and Telegraphs Department. A candidate may apply to be admitted as a candidate for all or any of these services. If he wishes to be admitted as a candidate for more than one service he should state this on his application form. In that case he need send in only one application form and undergo one examination by a Medical Board. He will be required to pay the fees mentioned in the Regulations once only and will not be required to pay separate fees for each service for which he applies. If he proves successful as a candidate for more than one service he will ordinarily be assigned to that service for which he expressed a preference at the time of his application provided that the vacancies have not already been filled, but the Government of India reserve power to assign him to any service for which he is a candidate if in their opinion the exigencies of the public service render this desirable.

The number of candidates to be selected at this examination for each of the three services will be announced hereafter.

The application must be made through the Collector or Deputy Commissioner * to the proper authority of the area in which the candidate's parents reside at the time of the application, or of an area in which they have previously resided for a period of not less than three years, or in which the candidate has himself resided, otherwise than as a student at a college or University only, for a like period.

The proper authority is, for a Governor's Province, the Chief Secretary †, for Coorg, the North West Frontier Province, Delhi, Ajmer-Merwara, Baluchistan or Andamans and Nicobar Islands the Chief Commissioner; and for a State in India the Political Officer or Agent, who should be addressed through the Durbar.

No candidate will be admitted to the examination from whom the Collector or Deputy Commissioner * or the Political Officer or Agent has not received on or before the 15th October 1930, an application on the prescribed form accompanied by the necessary documents. Copies of the application form and of the Rules and Regulations may be obtained from the local Government and Political Officers or Agents.

No allegation that an application form or letter respecting such form has been lost or delayed in the post will be considered unless the person making such allegation produces a Post Office certificate of posting. Candidates who delay their application until a late date will do so at their own risk. A candidate for whom a declaration under section 96-A of the Government of India Act is necessary should take *immediate* steps to obtain the same.

NOTE 1.—Candidates must have attained the age of 21 and must not have attained the age of 24 on the 1st day of August 1930.

The question of reducing the minimum age limit to 20 years is under consideration, and, in case it is decided to reduce the age limit to that extent candidates whose age was less than 21 but not less than 20 on the 1st August 1930 will also be eligible to appear at the examination. Any decision arrived at in the matter will be duly announced.

NOTE 2.—The examination will be held concurrently with the examination for the Transportation (Traffic) and Commercial Departments of the Superior Revenue Establishment of the State Railways, and the same papers will be set in the subjects common to both the examinations. Candidates accepted for admission to the examination for the Indian Service of Engineers and the Indian Railway Service of Engineers may be accepted as candidates for the other examination if they are eligible under the regulations and if they pay the fees prescribed for both examinations.

* In the case of Calcutta the Commissioner of Police.

† In the case of the Government of Bengal, the Secretary in the Public Works Department.

No. 227.—IN THE MATTER OF THE CHARITABLE ENDOWMENTS ACT, 1890, AND IN THE MATTER OF "THE PEACE MEMORIAL SCHOLARSHIP ENDOWMENT FUND AT COIMBATORE."

It is hereby notified that the Government of Madras, in exercise of the powers conferred by section 5 of the Charitable Endowments Act, 1890, have settled the scheme set out in the schedule hereto for the administration of the securities and money vested in the Treasurer of Charitable Endowments by Notification No. 226, dated the 4th day of September 1930, and that such scheme shall come into operation on the 15th day of September 1930.

The schedule above referred to.

1. The Collector of the Coimbatore District and the District Educational Officer at Coimbatore shall be the Administrators of the Peace Memorial Scholarship Endowment Fund at Coimbatore and the securities and money which are now vested in the Treasurer of Charitable Endowments by Notification No. 226, dated the 4th day of September 1930.

2. The income of the said Fund shall be applied in establishing and maintaining three scholarships to be called "The Peace Memorial Scholarships" to be from time to time awarded in manner hereinafter mentioned.

3. One scholarship of the monthly value of Rs. 12 or such other value as the income of the Fund shall allow shall be awarded to that student studying in the Junior Inter Arts Class in the Government College at Coimbatore who out of all the students appearing from Coimbatore for the last previous School Final Examination has at such examination obtained the highest number of marks in the aggregate.

4. A second scholarship of the monthly value of Rs. 8 or such other value as the income of the Fund shall allow shall be awarded to that student, who out of all the students studying in the III Form in the schools in the Coimbatore district, secures the highest number of marks at the Annual Examination and continues his studies in the IV Form in any of the secondary schools in that district.

5. A third scholarship of the monthly value of Rs. 5 or such other value as the income of the Fund shall allow shall be awarded to that student who out of all the students studying in the I Form in the schools in the Coimbatore district secures the highest number of marks at the Annual Examination and continues his studies in the II Form in any of the schools in that district.

6. The scholarships shall ordinarily be tenable for a period of one year (July to June inclusive) but the Administrators may, if they think fit, extend the first named scholarship for one year while the student is studying in the Senior Inter Arts Class, the second named for two years while the student is studying in the V and VI Forms and the third named for one year while the student is studying in the III Form.

7. If, in the opinion of the Administrators, the student eligible for the receipt of the scholarship under the foregoing rules does not owing to pecuniary circumstances require such scholarship the same may be awarded to the next best student who on account of his pecuniary circumstances requires such help.

8. The Administrators may stop or suspend payment of any scholarship, if, in their opinion, the student receiving the same is guilty of misconduct or want of diligence in the prosecution of his studies.

9. The amount of the endowment may be reinvested from time to time in Government securities.

10. All interest on the said endowment that may not be required for the said scholarships shall be accumulated and such accumulation shall from time to time be invested in the securities of the Government of India and be added to the corpus of the Fund.

It is hereby notified that the Government of Madras, in exercise of the powers conferred by section 5 of the Charitable Endowments Act, 1890, have settled the revised scheme set forth in the schedule hereto for the administration of the securities and money vested in the Treasurer of Charitable Endowments by Notification No. 223, dated the 12th day of July 1926, and that such scheme shall come into operation on the 15th day of September 1930.

The schedule above referred to.

1. The Principal of the College of Engineering, Guindy, for the time being shall be the Administrator of the DeWinton Gold Medal Endowment Fund and the securities which are now vested in the Treasurer of Charitable Endowments by Notification No. 223, dated the 12th day of July 1926.

2. From and out of the interest accruing on the said security shall be provided annually one gold medal which shall be called the DeWinton Gold Medal.

3. The said medal shall be awarded to that student of the Engineer Class (Civil Division) of the Engineering College, Guindy, who obtains the highest number of marks in Hydraulic Engineering at the assessment examination.

4. The Administrator may, as and when necessary, provide new dies for the striking of the medal hereinbefore mentioned and the cost of such dies shall be paid out of the corpus of the fund.

5. The amount of the endowment may be reinvested from time to time in Government securities.

6. All interest on the said endowment that may not be required for the said medal shall be accumulated and such accumulations shall from time to time be invested in the securities of the Government of India and be added to the corpus of the fund.

Executive Engineer, Nellore Division.

Nellore, 4th September 1930.

TENDERS FOR CONSTRUCTING TWO ADDITIONAL BATH ROOMS FOR THE MATERNITY WARD IN THE GOVERNMENT HEADQUARTERS HOSPITAL AT GUNTUR ON LUMP SUM CONTRACT SYSTEM.

TENDERS will be received by the Executive Engineer, Guntur Division, at his office at Guntur, up to 2 p.m. on 29th September 1930 for the above work.

2. The tenders should be submitted in sealed covers, the name of the tenderer, his complete postal address and the name of the work being noted on the cover and should be addressed to the Executive Engineer, Guntur Division, Guntur.

3. (a) Each tender should be accompanied by an earnest money of Rs. 80. This amount if in cash should be paid into the Government treasury at Guntur, or any sub-treasury in Guntur district, to the credit of the Executive Engineer, Public Works Department Guntur division, Guntur, under the head "P W, Remittances—III, Other Remittances —Receipts on account of Public Works Department", the purpose of the remittance being noted on the challan, and the treasury receipt enclosed to the tender.

(b) The tenderer may in lieu of cash, deposit Government promissory notes at face value, or post office cash certificates at the actual purchase price provided they are in his name and are made payable to the Executive Engineer, Public Works Department, Guntur division.

(c) In the case of parties whose tenders are not accepted the earnest money if deposited in cash will be refunded only by means of cheques drawn on the Imperial Bank of India, Guntur, and if in other form, the security documents will be returned. The parties should make their own arrangements to have the cheques cashed.

4. The Executive Engineer will reserve to himself the right of rejecting all or any of the tenders without assigning any reasons for so doing. Tenders not in order or not prepared according to instructions are liable to be summarily rejected. Corrections should be avoided as far as possible and where these are unavoidable they should be initialled and dated.

5. As soon as the acceptance of tender is notified the successful tenderer will be required to similarly deposit a further sum of Rs 25 which with the earnest money received will be held as security for the due fulfilment of the contract which he will have to sign in the proper departmental form for lump sum contracts. These amounts will be refunded at the discretion of the Executive Engineer when the deductions from bills towards security under the conditions of the agreement come up to this sum. Failure by such successful tenderer to comply with any of the above conditions within fifteen days from the date of his receipt of intimation of acceptance of the tender by the Executive Engineer, will entail forfeiture of the earnest money.

6 It shall be the duty of the tenderer to make out a schedule of quantities with the corresponding rates for each kind of work, to be done, and to quote a lump sum for which he will undertake to complete the whole work. This schedule should accompany his lump sum tender,. Otherwise his tender will be rejected. The schedule will have to be prepared taking the existing bath rooms block in the maternity ward, for guidance. The new block to be built will be similar to the existing work except for the deviations, a note of which can be seen in the Executive Engineer's Office during office hours. On an application in writing the tenderers will however be allowed to use the schedule of quantities without prices prepared by the department and make use of it as they wish, it being clearly and definitely understood that the department accepts no responsibility for its accuracy and completeness.

7. The contract should not be sublet.

8. Every intending tenderer is expected to look into the plans and other documents and inspect the site of the proposed works, and quarries to satisfy himself about the quality of the materials and their availability in time before he quotes his rates. The quarries chosen by him should also be mentioned in the tender.

9 Other conditions of contract and the contract documents can be seen at any time between 11 a.m and 4 p.m. on office days in the office of the Executive Engineer, Guntur division, a set of plans and specifications can be purchased for Rs. 5 per set.

10. In the event of a tender being submitted by a firm it must be signed separately and severally by each member thereof or in the event of absence of any partner it must be signed on his behalf by a person holding power-of-attorney authorising him to do so, and the power-of-attorney should also be produced along with the tender for reference,

11. No tender found to be not in order according to instructions given above, and not received in due time will be considered.

12. The work should be completed and handed over to the Public Works Department by the 1st of February 1931, at the latest, failing which, a penalty of Rs 5 per day will be levied and will be recovered from the contractor's outstandings till the work is completed and handed over to the Public Works Department. The contractor will also forfeit any amount held as security for the fulfilment of the contract. The accepting authority reserves the right to grant or revoke extension of time.

13. The rates quoted for each item in the schedule accompanying the tender should be expressed in rupees, annas and multiples of three pies both in words and figures. The schedule of quantities must be complete, i.e., the quantities must be multiplied by the rates quoted and the amount entered. All the items must also be totalled and the grand total entered by the tenderers. The rates should include all incidental charges, e.g., scaffolding, carrying materials, water charges, shoring the foundation trenches, bales, hire for any tools and plant, sheds for materials, temporary latrines for work people, marking out, clearing site, watering masonry till it is set, and seigniorage and toll fees, etc.

14. The work specified should be executed as per specification that can be seen by the intending tenderers in the Executive Engineer's Office.

Guntur, 22nd August 1930.

TENDERS FOR EXTENDING THE RECORD ROOM OF THE TALUK OFFICE AT SATTENAPALLE ON LUMP SUM CONTRACT.

Tenders will be received by the Executive Engineer, Guntur Division, at his office at Guntur, up to 3 p.m. on 18th October 1930 for the above work.

2. The tenders should be submitted in sealed covers, the name of the tenderer, his complete postal address and the name of the work being noted on the cover and should be addressed to the Executive Engineer, Guntur Division, Guntur.

3. (a) Each tender should be accompanied by an earnest money of Rs. 100. This amount if in cash (which include currency notes) should be paid into the Government Treasury at Guntur or any subtreasury in Guntur district, to the credit of the Executive Engineer, Public Works Department, Guntur Division, Guntur, under the head "Public Works Remittances—41 Other Remittances—Receipts on account of Public Works Department", the purpose of the remittance being noted on the chalan, and the treasury receipt enclosed to the tender.

(b) The tenderer may in lieu of cash, deposit Government promissory notes at face value, or post office cash certificates at the actual purchase price provided they are in his name and are made payable to the Executive Engineer, Public Works Department, Guntur Division.

(c) In the case of parties whose tenders are not accepted the earnest money if deposited in cash will be refunded only by means of cheques drawn on the Imperial Bank of India, Guntur, and if in other form, the security documents will be returned. The parties should make their own arrangements to have the cheques cashed.

4. The Executive Engineer will reserve to himself the right of rejecting all or any of the tenders without assigning any reasons for so doing. Tenders not in order or not prepared according to instructions are liable to be summarily rejected.

Corrections should be avoided as far as possible and where these are unavoidable they should be initialed and dated.

5. As soon as the acceptance of tender is notified the successful tenderer will be required to similarly deposit a further sum of Rs 50 which with the earnest money received will be held as security for the due fulfilment of the contract which he will have to sign in the proper departmental form for lump sum contracts. These amounts will be refunded at the discretion of the Executive Engineer when the deductions from bills towards security under the conditions of the agreement come up to this sum. Failure by such successful tenderer to comply with any of the above conditions within fifteen days from the date of his receipt of intimation of acceptance of the tender by the Executive Engineer will entail forfeiture of the earnest money.

6. It shall be the duty of the tenderer to make out a schedule of quantities with the corresponding rates for each kind of work to be done and to quote a lump sum for which he will undertake to complete the whole work. This schedule should accompany his lump sum tender, otherwise his tender will be rejected. The extension consists of a room 21 feet 6 inches long on the north side of the present record room and in continuation of it. There will be no verandah for the extension but there will be sun shades over the windows. Otherwise the details of the structure of the extension will be the same as those in the present record room. A note showing points of deviation from the existing work accompanies the drawing. Gross approximation in writing the tenderers will however be allowed to use the schedule of quantities without prices prepared by the department and make use of it as they wish, it being clearly and distinctly understood that the department accepts no responsibility for its accuracy and completeness.

7. The contract should not be sublet.

8. Every intending tenderer is expected to look into the plans and other documents and inspect the site of the proposed works and quarries to satisfy himself about the quality of the materials and their availability in time before he quotes his rates. The quarries chosen by him should also be mentioned in the tender. In cases of doubt where more than one quality of the same material (say stone) is found in quarries in the same locality, sample of the variety chosen by the tenderer should be also sent.

9. Other conditions of contract and the contract documents can be seen at any time between 11 a.m. and 4 p.m. on office days in the office of the Executive Engineer, Guntur division. A set of drawings and specifications can be purchased for Rs. 4 per set.

10. In the event of a tender being submitted by a firm it must be signed separately and severally by each member thereof or in the event of absence of any partner it must be signed on his behalf by a person holding power of attorney authorising him to do so, and the power of attorney should also be produced along with the tender for reference.

11. No tender found to be not in order according to instructions given above, and not received in due time will be considered.

12. The work should be completed and handed over to the Public Works Department by the 30th June 1931 at the latest, failing which a penalty of Rs 5 per day will be levied and will be recovered from the contractor's outstandings till the work is completed and handed over to the Public Works Department. The contractor will also forfeit any amount held as security for the fulfilment of the contract. The accepting authority reserves the right to grant or revoke extension of time.

13. The rates quoted for each item in the schedule accompanying the tender should be expressed in

rupees, annas and multiples of three pies of these rates with the units entered both in words and in figures. The schedule of quantities must be completed, i.e., the quantities must be multiplied by the rates quoted and the amount entered. All the items must also be totalled and the grand total entered by the tenderers both in words and in figures. The rates should include all incidental charges, e.g., scaffolding, carrying materials, water charges, shoring the foundation trenches, bailer, hire for any tools and plant, sheds for materials, temporary latrines for work people, marking out, clearing site, watering masonry till it is in set, and scigniorage and toll fees, etc.

14. The work specified should be executed as per specifications that can be seen by the intending tenderers in the Executive Engineer's Office.

The Standard Barometer and Thermometers are read at 8 a.m., 10 a.m., 4 p.m. and 8 p.m. and the daily means are obtained by the application of hourly corrections, deduced from twenty years' observations. The cistern of the barometer is twenty-two feet above the level of the sea, and the receiver of the rain-gauge is two feet from the ground. The wind, rain and general weather registered are for the current civil day—from midnight to midnight.

The total quantity of rain collected since 1st January is 22·00 inches, the average due for the same period being 15·91 inches.
